

It's our pleasure to share results from the season's competition round thus far...

Our **Tinpot Hut 2019 Marlborough Sauvignon Blanc** is off to a great start with a **Blue Gold Medal** at the 2020 Sydney International Wine Competition held this November.

Naturally we are chuffed that the judges across the water enjoyed this lovely drop!

The **2019 Tinpot Hut Turner Vineyard Riesling** was awarded a **Gold Medal** at the New Zealand Aromatic Wine Competition in Canterbury this November.

As a new release wine, this is a great result and is perfectly timed to coincide with the release of our new branding for these superb single vineyard wines.

In addition, the **2017 Tinpot Hut Late Harvest Riesling** has won a **Gold Medal** for the second year running at the NZ International Wine Show which was held in October.

We adore this wee drop and it's great to see others feel the same!

Our **2017 Tinpot Hut McKee Vineyard Gruner Veltliner** is proud to wear **5 Stars and 93pts** from Wine Orbit:
"A stylish expression; the elegantly lifted bouquet shows Gala apple, lemon peel, oatmeal, and subtle spice aromas, followed by a succulent palate that is beautifully weighted and rounded. It is texturally appealing with lovely fruit vibrancy, leading to a lengthy engaging finish."
